

Anti-Bullying Policy Statement

ROGER CASEMENTS GAC and **GERALDINES CC** aims to create a supportive environment where any form of bullying is unacceptable.

The GAA adopt a whole organisational approach to addressing bullying and are committed to implementing structures and relevant training to deal with allegations of bullying. Incidents of bullying are regarded as serious breaches of the GAA's Code of Best Practice in Youth Sport - Our Games Our Code. We are committed to achieving an ethos of respect so as to maximise the potential of all our members when playing or participating in our Gaelic Games.

DEFINITION

Bullying is defined as repeated aggression, be it verbal, psychological or physical, conducted by an individual or group against others.

THE GAA SEEKS TO ENSURE THAT:

- Incidents of bullying behaviour are addressed appropriately
- All persons in membership of the Association or attending our games or activities are aware that bullying behaviour is unacceptable in the GAA.

DEALING WITH BULLYING

The Code of Behaviour when working with underage players provides good practice guidance in relation to the prevention of bullying. If you are aware of or have a concern that bullying behaviour is happening within our Club you should report the matter to your Club Children's Officer.

We recognise that incidents of bullying are a breach of the GAA Code of Behaviour and of the Give Respect - Get Respect initiative and all such incidents will be dealt with accordingly.
